

Blocked Funds Issuance/ Monetization/Trade Agreement

_____, hereinafter referred to as the "**VISA issuer/VISA Monetizer Representative**," agrees to issue an MT110 Blocked Funds ("**Blocked Funds**") on __/__/2025 to the entity identified as _____, referred to as the "**Client/End Beneficiary**."

This Blocked Funds will have a validity period of one year and one month, with a total value of Five Hundred Million Euros (€500,000,000). The issuance of this Blocked Funds is subject to the VISA issuer/VISA Monetizer Representative receiving a setup/sending fee of _____ US Dollars (\$ _____).

This fee will be divided into two installments: the initial payment of \$_____ USD is required before the issuance and creation of the Blocking Certificate by the VISA issuer/VISA Monetizer Representative, while the subsequent payment of \$_____ USD must be made prior to the transmission of the MT110 (Cash Blocking).

The Blocked Funds will be sent from Barclays Bank in the UK, along with MT110 via Brussels SWIFT.

The anticipated preparation duration for the Blocked Funds ranges from 10 to 15 banking days following the receipt of payment for the issuance of both the Blocked Funds and the Blocking Certificate.

Additionally, the VISA issuer/VISA Monetizer Representative will facilitate the monetization/trading of the Blocked Funds once it has been received by the VISA Monetizer Bank. The anticipated Loan-to-Value (LTV) Ratio for this Blocked Funds is estimated to between 72% and 83%. The monetization process for the Blocked Funds is expected to take between 20 to 25 banking days from the issuance of the MT110.

Upon monetization, the Client/End Beneficiary will receive an advance payment based on the estimated monetized amount/LTV (70% of 10% of total estimated monetized amount/LTV). The remaining funds will be allocated for trading, which is expected to generate approximately 28% net profits monthly on the invested amount, to be shared between the VISA issuer/VISA Monetizer Representative and the Client/End Beneficiary over a duration of 8 months.

Blocked Funds Issuance/ Monetization/Trade Agreement

Please be advised that the advance rate is set at 10% of the total Loan-to-Value (LTV), although the final percentage will be determined through discussions between the VISA monetizer and the VISA issuer/VISA Monetizer Representative. The VISA issuer/VISA Monetizer Representative is required to furnish evidence to the Client/End Beneficiary regarding the Advance percentage provided by the trader, which is projected to be 10% of the total LTV or monetization amount.

Timing /Schedule payout example:

If the initial payment for the Blocked Funds was received on June 1, the blocking Certificate will be sent to the VISA Monetizer on June 23 or after 15 Banking Days following the first payment from the Client/End Beneficiary.

Upon receiving the Blocking Certificate, the VISA Monetizer/Trader will present the Monetization/Trade contract to the VISA issuer/VISA Monetizer Representative. Once both parties have signed the agreement within 2 banking days after the Monetization/Trade Contract is sent to the VISA issuer/VISA Monetizer Representative, the VISA issuer/VISA Monetizer Representative will issue the MT110 to the VISA Monetizer.

After 35 Banking Days, the VISA Monetizer will initiate the advance payment to the VISA issuer/VISA Monetizer Representative, and following the advance payment, after 120 calendar days from the Advance Payment, the VISA issuer/VISA Monetizer Representative will receive the first Trade payout to compensate the client.

Ten percent of the anticipated monetization profits will be distributed as an advance to the VISA issuer/VISA Monetizer Representative and the Client/End Beneficiary within 35 banking days following the monetization date, or within 35 banking days after the VISA Monetizer receives the MT110. Of this advance, 30% will be assigned to the VISA issuer/VISA Monetizer Representative, and 70% will be designated for the Client/End Beneficiary.

The VISA issuer/VISA Monetizer Representative is required to provide complete proof of payment for the final advance payout received to the Client/End Beneficiary. Moreover, an estimated net total of 28% of the overall monetization/trade profits from the Blocked Funds will be shared between the VISA issuer/VISA Monetizer Representative and the Client/End Beneficiary.

The VISA issuer/VISA Monetizer Representative must furnish the Client/End Beneficiary with full proof of payment for the monthly trade payout received. The net 20% of the total monetization/trade profits
